

In Mickey Mouse Clubhouse: The Exhibit, preschoolers and their families evoke joy, excitement, and confidence while working alongside Mickey and his pals as they prep the clubhouse for a surprise birthday party for Pluto.

Through hands-on interactives, children will enhance physical, cognitive, and social/emotional skills as they:

- Help Minnie frost the cupcakes
- Help Daisy decorate Pluto's doghouse
- Help Donald work the Bubble Machine
- Help Goofy distract Pluto
- Celebrate a job well done with the Hot Dog Dance!
- And more!
