

The Children's Museum of Indianapolis, The Emmett Till and Mamie Till-Mobley Institute, and the Emmett Till Interpretive Center have partnered to produce a traveling exhibit that tells the troubling story of the murder of young Emmett Till and the powerful ripple for justice that began with his mother's brave actions. With a goal to educate, inspire, and foster a new generation that will repair past hatred and come together to build a bright future of peace and understanding, the exhibit experience will serve as a reminder that we have much more work to do to fight racial injustice and hatred.
